

Sponsorship Information

Black Hawk Creek Saddle Club has been offering horse shows in the Cedar Valley since 1968. Our mission is to provide a safe, family friendly environment for youth and adults to develop and demonstrate their horsemanship skills. Participants learn that practice, persistence and patience pay off in the arena. We offer classes for riders 6 and under to adults. Our shows are currently held at the Cattle Congress Grounds in Waterloo, Iowa.

Horse shows encourage horse ownership, the use of appropriate tack and accessories, proper equine care and conditioning and sportsmanship and leadership for our exhibitors. We welcome all exhibitors and their families at our shows.

Our yearly expenses cover arena rent, insurance, printing, our website hosting, class award ribbons and year end awards. Our officers, board members and workers are all volunteers. The only paid person is a judge at each of our shows.

Our web page www.blackhawkcreek.org was viewed by 6,814 individuals in 2023. Our Facebook group <https://www.facebook.com/groups/447752882340061/> has 353 members, our Facebook page <https://www.facebook.com/BHCSCHorseShows> has 656 followers. 104 different individuals and their families attended our events during 2023.

Sponsor money would be used to help cover our fixed costs and offer award incentives for riders to attend our shows. Providing a sponsorship would help us continue our 55 year commitment to the Iowa horse community.

We thank you for your consideration of this sponsorship request.

Sponsorship Levels
